

TAYLOR DAY

Start your journey with Taylor Day

Taylor, Day, Grimm & Boyd was founded in 1981 with a focus on the litigation needs of businesses in Jacksonville and the surrounding communities. Today, our lawyers continue to provide counsel to clients in a broad spectrum of civil litigation matters for a variety of companies and industries.

We litigate complex cases in state and federal circuits throughout Florida. The wide scope of our services allows us to assist in high-level urgent and complex matters while resolving small problems before they grow and harm your business and business relationships.
